COMMUNICATION

Sir:

This communication pertains to documents that were faxed to the USPTO on September 1, 2005. These documents were either not received by the USPTO or alternatively have apparently been misplaced after being received. We are therefore re-sending the documents and hope that they will be placed before the Examiner for continued prosecution of the application. Enclosed with this communication are the Fax transmittals printed out on September 1, 2005. Enclosed too are the Request for Continuing Examination, the Petition for Revival of an Application for Patent Abandonment, an Amendment and Submission.

The Applicants respectfully request reinstatement of the Application based on the fact that the Fax transmittals show that the aforementioned contents were duly submitted to the USPTO on September 1, 2005.

If there are any additional charges with respect to this Amendment or otherwise, please charge them to Deposit Account No. 07-0893.

Respectfully submitted,
